Margam Country Park SA13 2TL

Directions and information

Travel directions to Margam Park (travelling west)

Traveling west along M4 motorway to Junction 38 take the third roundabout exit for A48. Drive along A48 for 1,5 miles (2,4km). Do not take the main entrance into Margam Park. The park entrance is located a mile past this entrance in the park's East car park which is the first left turn approaching the start of a dual carriageway. When leaving please take care exiting the park and crossing the dual carriageway.

Travel directions to Margam Park (travelling east)

Take the first exit at Junction 38 and follow the A48. See travel directions above to the park entrance

Parking

There is ample parking for all cars provided drivers park thoughtfully. Only officials' cars are permitted to park inside the park fence to access the course (park security measures)

The registration hut is located at the south side of the car park. Toilets are located adjacent to the car park near to the start/finish areas.

Club Tents

Club tents can be set-up on the grass verges around the car park and not inside the fence.

Course

The course is suitable for spikes but given the ground conditions trail shoes may be preferred. There is a very short section (50m) of path at point D with grass/chippings. Some distances for junior races have been shortened to allow athletes recovery time before the Welsh Schools Championships.
